## **FOR IMMEDIATE RELEASE**

### **VJS Construction Services Celebrates 70 Years of Business by Continuing to Give Back to the Community**

**PEWAUKEE, WI** – VJS Construction Services is celebrating their 70<sup>th</sup> anniversary by launching VJS Community to continue their tradition of giving back to the community.

“VJS believes it our responsibility to make the community a better place”, said Gary Jorgensen, Chairman of VJS Construction Services. Through VJS Community, VJS will further its dedication to improving our communities by partnering to raise awareness for the following non-profit partners in 2017: St. Augustine Prep, Mount Mary University, Saint John’s on the Lake, Roger’s Memorial Hospital, Sharon Lynne Wilson Center for the Arts, The Y, and United Community Center.

VJS and its leadership team have a deep-rooted history of giving back to the community, dating back to when the organization was formed. It’s through the development of VJS Community, its official giving program that the company will be in a position to make an even greater impact.

“This milestone anniversary allows us to continue to give back and lend our support to make our communities an even better place to live and work,” said Craig Jorgensen, President of VJS Construction Services.

VJS Construction Services is one of Wisconsin’s Top 10 general contractors, construction managers, and design builders. Specializing in developing distinctive facilities for education, senior living, housing, retail, manufacturing, medical, corporate office, religious and government, VJS handles every aspect of a project. The comprehensive list of services include value engineering, life cycle cost analysis, construction administration, subcontractor bidding and negotiation, scheduling, cost control, and project close-out. VJS also able to self-perform demolition, concrete and carpentry.
