**VJS CONSTRUCTION SERVICES ANNOUNCES FOWLER LAKE VILLAGE  
PROJECT IN OCONOMOWOC BREAKS GROUND**

**PEWAUKEE, WI (October 17, 2017)** – **VJS Construction Services (VJS)**, a general contracting, construction management, and design build firm located in Pewaukee, is pleased to announce that the Fowler Lake Village project in Oconomowoc has broken ground. The groundbreaking took place on Thursday, October 12, 2017. VJS staff, the project team leaders, city of Oconomowoc officials and staff, and the project architect were all present for the groundbreaking.

Fowler Lake Village will be a blend of condominiums, upscale shopping, and dining in the heart of Oconomowoc.

Jeff Seymour, the Developer for this project, shared, “We're looking forward to being great neighbors and building a community within the community.”

Jeff Seymour is the developer for this project. VJS Construction Services Chris Sauvé will serve as the Project Executive, Ben Baenen as the Senior Project Manager, and Jeff Panella as the Superintendent. TDI Associates is the architectural firm for the project.

Founded in 1947, VJS Construction Services has become one of Wisconsin's top ten general contractors, construction managers, and design builders. The company specializes in educational facilities, senior living facilities, libraries, sophisticated religious structures, corporate office buildings, manufacturing facilities, and healthcare facilities.
