**VJS CONSTRUCTION SERVICES ANNOUNCES MANSEAU FLATS APARTMENT  
PROJECT IN ASHWAUBENON BREAKS GROUND**

**PEWAUKEE, WI (September 21, 2017) – VJS Construction Services (VJS)**, a general contracting, construction management, and design build firm located in Pewaukee, is pleased to announce that the Manseau Flats Apartment project in Ashwaubenon has broken ground. The groundbreaking took place on Thursday, September 14, 2017. VJS staff, the project’s ownership group, Village of Ashwaubenon officials and other consultants and suppliers were all present for the groundbreaking.

Manseau Flats is a new, six story, 78 unit apartment building located in Ashwaubenon. The project is expected to be completed in October 2018.

Ryan Bedford, Bedford Development, shared, "On behalf of our ownership group, we are excited to partner with VJS Construction Services on this truly great apartment project. With their humble leadership and attention to detail, we believe we will be setting the new standard in quality for apartments in the Green Bay area."

Bedford Development is the developer for this project. VJS Construction Services Jason Schneider will serve as the Project Executive, Humberto Sanchez as the Project Manager, and Tom Hensgen as the Superintendent. TDI Associates is the architectural firm for the project.

Founded in 1947, VJS Construction Services has become one of Wisconsin's top ten general contractors, construction managers, and design builders. The company specializes in educational facilities, senior living facilities, libraries, sophisticated religious structures, corporate office buildings, manufacturing facilities, and healthcare facilities.
