**VJS CONSTRUCTION SERVICES ANNOUNCES SCOTT WALKER
HAS JOINED THE FIRM AS AN ESTIMATOR**

PEWAUKEE, WI (September 22, 2017) – VJS Construction Services (VJS), a general contracting, construction management, and design build firm located in Pewaukee, is pleased to announce Scott Walker has joined our team as an Estimator.

In this role, Scott will be responsible for analyzing blueprints, specifications, proposals and other documentation as well as preparing time, material, labor, equipment and specialty cost estimates for assigned projects. Scott will also be consulting with clients, subcontractors and architects to discuss and formulate estimates and resolve issues.

Prior to joining VJS, Scott worked for a national retail chain for more than 18 years. What drew him to the opportunity at VJS was the emphasis that VJS places on the importance of family, as his children are growing quickly and are active in athletics. Scott has also been surrounded by the industry his entire life as he grew up with a father who owned his own construction business.

In Scott's spare time he enjoys spending time with his family and golfing. He also assists his wife with her craft and design business.

Founded in 1947, VJS Construction Services is one of Wisconsin's top ten general contractors, construction managers, and design builders. The company specializes in educational facilities, senior living facilities, libraries, sophisticated religious structures, corporate office buildings, manufacturing facilities, and healthcare facilities.
