**VJS CONSTRUCTION SERVICES ANNOUNCES ST. MONICA'S SENIOR LIVING HOLDS
FORMAL DEDICATION AND RIBBON CUTTING CEREMONY FOR NEW ADDITION**

PEWAUKEE, WI (October 23, 2017) – VJS Construction Services (VJS), a general contracting, construction management, and design build firm located in Pewaukee, is pleased to announce that the St. Monica's Senior Living facility in Racine held a formal dedication and ribbon cutting ceremony this past week. The dedication of the chapel took place on Wednesday. The altar, tabernacle, and other religious artifacts that were made from the wood of trees that were cut down on the campus were consecrated during this dedication. The local bishop, other local dignitaries and the Mother Superior from Germany for the order of the Sisters of St. Rita all partook in the dedication.

The ribbon cutting for the new 24-unit community based residential facility (CBRF) took place on Thursday. This was the first major expansion and renovation project since St. Monica's first started serving the community.

Founded in 1947, VJS Construction Services has become one of Wisconsin's top ten general contractors, construction managers, and design builders. The company specializes in educational facilities, senior living facilities, libraries, sophisticated religious structures, corporate office buildings, manufacturing facilities, and healthcare facilities.
