**THE MILWAUKEE BUSINESS JOURNAL HAS NAMED
VJS CONSTRUCTION SERVICES A 2018 BEST PLACES TO WORK**

PEWAUKEE, WI (August 27, 2018) – VJS Construction Services (VJS), a general contracting, construction management, and design build firm located in Pewaukee has been named a 2018 Best Places to Work by The Milwaukee Business Journal. This prestigious award recognizes companies that have established a top culture and trust in leadership where staff feel engaged in their work and appreciated by the people around them. VJS is a winner in the large-sized business category consisting of 100-199 employees.

Winners were selected based on responses to an online survey distributed by a third party on behalf of the Milwaukee Business Journal. Employees scores were measured on how favorably they responded to questions on the core areas including personal engagement, communication and resources, teamwork, retention, alignment with goals, trust with co-workers and senior leaders, manager effectiveness, and job satisfaction.

“VJS is honored to be recognized as a 2018 Best Places to Work. This award is not only a testament to the hard work and dedication of VJS’ employees but the great culture that surrounds this organization,” said Craig Jorgensen, VJS President.
