**THE MILWAUKEE JOURNAL SENTINEL NAMES VJS CONSTRUCTION SERVICES A WINNER
OF THE SOUTHEAST WISCONSIN 2018 TOP WORKPLACES AWARD**

PEWAUKEE, WI (May 14, 2018) – VJS Construction Services (VJS), a general contracting, construction management, and design build firm located in Pewaukee has been awarded a 2018 Top Workplaces honor by The Milwaukee Journal Sentinel. The list is based solely on employee feedback gathered through a third-party survey administered by research partner Energage, LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said Doug Claffey, CEO of Energage.

“Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

“VJS is honored to be chosen as a Top Workplace. VJS’ success can be attributed to the dedication and commitment of our staff. This award truly speaks to the exceptional work ethic our employees demonstrate every day so I would like to thank our staff for making VJS a great place to work,” said Craig Jorgensen, VJS President.

“Becoming a Top Workplace isn’t something organizations can buy,” Claffey said. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”

About VJS Construction Services

Founded in 1947, VJS Construction Services is one of Wisconsin’s top ten general contractors, construction managers, and design builders. The company specializes in educational facilities, senior living facilities, libraries, sophisticated religious structures, corporate office buildings, manufacturing facilities, and healthcare facilities.
